The Recap

April has been full of fun and exciting events! We are so excited to show you what our daily lives look like with our monthly newsletter!

Dying Easter Eggs

Residents tested three different methods to color 4 dozen eggs! They experimented with shaving cream, rice, and traditional vinegar!

Easter Egg Hunt

The Sandhills Care Center hosted a community event for families to enjoy!

Prom Kids

Ainsworth high school students stopped in to show off their outfits to the residents. Many pictures were taken, and we even crowned a King and Queen.

Baby Animals

Community members brought all sorts of animals in. Our residents got to enjoy petting bunnies, chicks, and goats!
